

Jammin with my Kala UBass @ Wooten Woods in June 2011!

Below are some comments about my blog, videos and UBass playing from my blog and YouTube Channel:

"Sounds fantastic!!"

"You sold me on this, the very first moment I saw your vids of the Kala UBass, that's the kind of tone I have been looking for!...My Kala Spruce top Fretless arrived today and I swear I haven't put it down but now and I will not stop!"

"Oh man, you made me smile so much with this vid. Very cool. :)"

"You've inspired me to buy one of those! Great playing bro!...I'd love to hear more"

"seriously this is the s**t... crazy how good that bass and bassplayer sounds!"

"Fantastic!"

"It Sounded really good!!!!"

"...it sounds killer!! I want one..."

"believe me this show deserves 1.000.000 views!!"

"Your Ubass videos are fantastic....Because of your videos, I now really want one :D"

"Unbelievably excellent."

"Loving the ubass playing. It's so nice to see a real musician demonstrating eloquently the virtues of this great instrument. I have GAS so bad for one of these :)"

"Between your playing and the tone of that bass i'm inspired to buy one. Love the tone...."

"Sweet lord o mighty! Great jam! =) Awesome job on bass! =)"

"...that bass uke is awesome, wild gig!"

"that's sick!"

"Nice feel! We can tell that you're listening to each other. Rare occasion on YouTube. I tuned in because I'm looking at the Kala UBass. Thanks!"

"this was great! I agree that you guys are clearly listening to each other. It really is awesome watching two musicians connect and see where the music leads them. Well done. Also that UBass sick McNasty. I need to get one!!"

"rockinest Ubassist on the Tube so far. Fine !

"That u-bass is an amazing instrument. I'm smitten..."

"fantastic sounds and great playing....nice style."

"Great work. Love it."

"fantastic Little instrument w/ Big sound! :o)"

"Mindblowing. Totally amazing!"

"sounds awesome"

"i want one so bad"

"yeah, love it!"

PLAYUBASS.COM

Learn to play the UBass!

Since July 2010 I've been blogging about my UBass experiences. You can follow me to different gigs featuring the UBass, get tips on how to play and best amplify your UBass. I'm also doing video lessons in different styles to let you know that the UBass works in all situations! Follow me on my journey! Hopefully you will get inspired to pick one
